

D2 Design and Site Plan Review

Community Meeting Notice Neighborhood Meeting #2

Q: What's the latest update?

A: With the feedback we received at our first neighborhood meeting in April, we continued to evolve designs and submitted material for review to the Somerville Design Review Committee. The Committee of design professionals reviewed our application over the course of 4 public meetings and provided guidance and recommendations on the designs for D2. We will incorporate those recommendations and share it with you for feedback.

Please join us to learn more and share your feedback at our second neighborhood meeting.
